PRIVACY NOTICE FOR PARENTS / CARERS OF PUPILS ATTENDING HAILEYBURY TURNFORD

Haileybury Turnford is required by law to collect and process data and information about parents / carers of our pupils so that we can operate effectively as a school. This privacy notice explains how and why we collect parent / carer data, what we do with it and what rights parents have.

This privacy notice provides you with information about how we collect and process personal data of our pupils and their parents/carers in accordance with the UK General Data Protection Regulation (UK GDPR) and the Data Protection Act 2018.

The term “parent” is widely defined in education law to include the natural or adoptive parents (regardless of whether parents are or were married, whether a father is named on a birth certificate or has parental responsibility for the pupil, with whom the pupil lives or whether the pupil has contact with that parent), and also includes non-parents who have parental responsibility for the pupil, or with whom the pupil lives. It is therefore possible for a pupil to have several “parents” for the purposes of education law. This privacy notice also covers other members of pupils’ families who we may process data about from time to time, including, for example, siblings, aunts and uncles and grandparents.

Privacy Notice (How we use parent / carer information)

Haileybury Academy Trust is a Single Academy Trust and is the Data Controller for all the Personal Data Processed by the Academy. The Data Protection Officer (DPO) is HfL Education and can be contacted via dpo@haileyburyturnford.com.
