

24th November 2025

Dear Parent/Carer

Continued excellent student attendance for our students

We were very pleased to recently receive the news from the Department for Education (DfE) that Haileybury Turnford has been recognised as a **higher performing school for attendance**. This follows from the recognition in 2024/25 that student attendance was strong throughout the academic year at Haileybury Turnford. Student attendance at Haileybury Turnford remains above the national level for secondary schools in England.

Strong attendance enables students to develop a strong sense of belonging to their school, supports them in sustaining strong friendships and enables them to flourish. There is also strong evidence that shows attendance is a key factor in supporting our students to make good progress with their learning, enabling them to be as successful as possible with their exam results at the end of Year 11 and Year 13.

Punctuality to school is also good for the majority of students. However, we know this can be more difficult in the cold, winter mornings. Being on time, and arriving before 8.35am each day is an important routine and means that students arrive for the very start of the school day. Many thanks for your support with ensuring your child(ren) routinely arrive before 8.35am. Our Pastoral teams will continue to work with individual students and families to provide support in cases where lateness becomes an issue, and to provide help to enable students to arrive for school on time.

Thank you for your continued support to ensure punctuality and attendance can remain as high as possible in the final weeks of this term.

Yours faithfully

Robin Newman
Principal
