Dear All

## **Parking around and near to school at the start and end of the school day**

We are grateful to our parents/carers and neighbours in Mill Lane and nearby roads for your patience and support when it is inevitably busy at the start and end of the school day with over 1,000 students arriving and leaving during a short period of time. It becomes even more busy when the weather is cold and rainy, especially during the winter. Despite having members of staff to help manage arrivals and the departure of students from our school site, there is inevitably lots of traffic and congestion around school for a short period of time, which has the potential to cause safety issues for our students, and access issues for our neighbours.

We periodically receive requests from our neighbours, asking for us to remind road users not to park on the pavements or verges, not to block driveways, and not to use the Anchor Pub car park as a drop-off or waiting area. We assured our neighbours we would share these important reminders with our community.

Thank you for continuing to drive carefully, in what is a very congested area at the start and the end of the school day in and around Mill Lane.

Yours faithfully

Robin Newman  
Principal
