

6th January 2026

Dear Parent/Carer

Severe and Extreme Weather Procedures – from January 2026

During any periods of severe winter weather, or extreme summer weather, our website as well as an announcement on Class Charts, will state one of three things by 7.30am at the very latest:

- School open as normal
- School open, but a later arrival time and/or departure time for students (times to be stated)
- School closed

We will aim to put this message on our website as early as possible, or the previous evening depending on the severity of the weather conditions.

Our severe weather procedures can be viewed on our website www.haileyburyturnford.com

If the school is closed, public examinations will still take place for students that are able to travel to Haileybury Turnford. Morning examinations will start at 9.30am (instead of 9.00am) and afternoon examinations will run at their published times. Any exceptions to this would be clearly communicated via the school website.

In addition, information about work which will be set on Class Charts and/or Microsoft Teams will be communicated, dependent on the nature and length of the closure period.

Yours faithfully

Robin Newman
Principal
