Dear Parent/Carer

Year 13 Parents' Evening Feedback

Thank you to families for your feedback to our survey following the recent Year 13 Parents' Evening.

I wanted to share the responses to our survey (from 10 families):

		% Yes
1	Parents' Evening was a positive and helpful experience to provide feedback about my child's learning	100%
2	Parents' Evening provided me with clear information about what my child should do to progress well this year	100%
3	One idea to help make Parents' Evening more useful to support my child's progress	See below

Further comments:

All was a very good experience.

The teachers have provided all the support that they can to my son. I really couldn't have asked for more.

We didn't get to see all teachers and there were some very long waits. Maybe consider doing two Parents' Evenings.

Further written feedback and/or targets from recent assessments to support next steps and areas for improvement, along with practical advice on how to help my child at home.

Allow more time with/between appointments.

Longer appointment slots, for example, 10 minutes per teacher.

Add an additional Parents' Evening

You said ... We did:

Please do contact Mrs Shivalkar, Assistant Principal & Head of Sixth Form, with specific issues that require any further follow-up that were not able to take place at Parents' Evening. Alternatively, do contact specific subject teachers directly to discuss specific subject-level issues. Teaching staff will speak with you and your child further as necessary to provide the best possible support.

In addition, do ask your child to show you their folder with their work in for each subject, and ask them to show you the feedback received from assessments and targets to support their next steps as they prepare for mock exams and summer exams.

Yours faithfully

Robin Newman
Principal
