Dear Parent/Carer

Year 7 Parents' Evening Feedback

Thank you to families for your feedback to our survey following the recent Year 7 Parents' Evening.

I wanted to share the responses to our survey (from 18 families):

		% Yes or Strongly Agree or Agree
1	Parents' Evening was a positive and helpful experience to provide feedback about my child's learning	94%
2	Parents' Evening provided me with clear information about what my child should do to progress well this year	94%
3	One idea to help make Parents' Evening more useful to support my child's progress	See below
4	I would recommend Haileybury Turnford to other families	94%

Further comments:

It was an informative and well organised evening – thank you.
Provide the opportunity to see all child's teachers rather than a maximum of 8 teachers, and include the opportunity to meet with form tutors.
Maybe a little more time for parents with children with Special Educational Needs, or have another appointment on a different day.
Keep to the time slots so people are not waiting around between appointments or later in the evening.
Give details of the curriculum for each subject for the entire year.

You said ... We did:

Enabling parents to see all teachers would mean the evening would either need to be longer, or some families would not be able to book appointments. We have taken the decision to limit the number of appointments to 8, to enable all families to make a range of appointments, and to prioritise that subject teachers that they wish to see. In addition to Parents' Evening, please contact a specific subject teacher, or your child's tutor at any time during the academic year, and/or contact the Year Achievement Coordinator who will be able to support with gathering further feedback. Mrs Michell, Flexible Learning Centre & SEND Coordinator, can be contacted to discuss Special Educational Needs. Please do make initial contact by email or telephone. All staff email addresses, in alphabetical order, can be found here: <https://haileyburyturnford.com/contact-us/staff/>

In addition, the curriculum for each subject can be found on the school website here:
