

March 2026 Press Release

Haileybury Turnford and Haileybury Celebrate a Decade of Partnership with Anniversary Concert

Haileybury Turnford and Haileybury came together on 16th March to celebrate ten years of partnership with a special anniversary concert, marking a significant milestone in their shared commitment to educational collaboration.

The event was a powerful reflection of a relationship that has, over the past decade, provided enriching and transformative opportunities for students across both schools. The evening highlighted not only past achievements but also the exciting future of this ongoing partnership.

“It was an amazing opportunity to showcase the excellent collaborative work the two schools have achieved over the last ten years, as well as offering a snapshot of what is to come,” *said Mr Newman, Principal of Haileybury Turnford.*

The joint concert showcased exceptional musical talent from students at both Haileybury Turnford and Haileybury. The audience was also treated to a special performance by pupils from Burleigh Primary School, whose contribution further enhanced the spirit of collaboration and community that defined the evening.

With a standing-room-only audience of families, staff, governors, local councillors and students, the event was a clear demonstration of the strong support surrounding both schools and their partnership.

“The students worked extremely hard, and we are very proud of them,” *said Mrs Nicholson, Faculty Leader for Creative and Performing Arts at Haileybury Turnford.*

Special thanks are extended to Sally Nicholson, Faculty Leader for Creative and Performing Arts at Haileybury Turnford, and Richard Brain, Director of Music at Haileybury, whose vision and dedication were instrumental in bringing this memorable event to life.
