

3<sup>rd</sup> March 2026

Dear Parent/Carer

On behalf of the Governing Body, I am delighted to offer your child a place at Haileybury Turnford for September 2026.

You will also receive separate confirmation and acceptance information from the Local Authority. Please ensure that your acceptance is completed with them by 9th March 2026.

Starting secondary school is an important milestone, and we are proud that you have chosen Haileybury Turnford for this next stage of your child's education. We look forward to welcoming them in September as a valued member of our Year 7 community and to supporting them as they grow into confident, capable young adults — whether they leave us at the end of Year 11 or continue into our Sixth Form.

Our vision is simple: to be a local school of exceptional quality. We are committed to ensuring every student can achieve academically and personally, belong to a supportive and ambitious community, and thrive through the opportunities and care we provide. Our developing partnership with Haileybury continues to have a direct and positive impact on the experiences and outcomes of our students.

Haileybury Turnford continues to go from strength to strength:

- Our new building, opened in September 2021, provides 12 modern classrooms, three fully equipped science laboratories and a spacious library.
- We have secured fully funded, state-of-the-art new buildings from the Department for Education, with construction due to begin during the 2026/27 academic year.
- Examination outcomes continue to improve year on year.
- Our Sixth Form students regularly secure places on competitive university courses and high-quality apprenticeship programmes.

We firmly believe that education is most successful when schools and families work in close partnership. We are committed to building a strong and positive relationship with you so that, together, we can support your child to flourish.

Between now and September, there will be a number of transition events and opportunities designed to help your child feel confident and excited about joining us. Further information, including confirmed dates, will be shared with you in due course.

If you have any questions at all, please do not hesitate to contact us — our staff are always happy to help. We very much look forward to welcoming you and your child to the Haileybury Turnford community.

Welcome to Haileybury Turnford.

Yours faithfully

**Mr R Whitaker**
