

24th April 2026

Dear Parent/Carer

It has been a very busy week for staff and students with our Ofsted inspection on Tuesday and Wednesday. We were expecting our inspection to take place this term – schools are inspected every 4 years, and our last inspection was in March 2022.

Thank you for your support, and to families for taking the time to give your feedback to our inspection team through the Parent View survey. The full survey results, which are published online, can be viewed here: <https://parentview.ofsted.gov.uk/parent-view-results/survey/result/131965/17>. Our inspection provided an excellent opportunity for both students and staff to showcase the work that takes place at Haileybury Turnford.

There is now a period of time until the findings from our inspection are published. There are new style Ofsted report cards, and the grading system has changed since our previous inspection. This short video from Ofsted provides more details about the new report cards: <https://www.youtube.com/watch?v=kbl0FvY976g>.

Very many thanks for your continued support for our school community - it is greatly appreciated. We look forward to sharing our report card as soon as it is published.

Yours sincerely

Robin Newman
Principal
