**Welcome to the Year 7 Parents' and
Carers' Transition Information Evening
Tuesday 28th April 2026**

Haileybury Turnford

- ***Pupils love the fact that their school is friendly and welcoming. They say that it is a school where they can be themselves. This is because it is a very tolerant community. Pupils feel very safe. They attend regularly and promptly and take great pride in presenting and organising their work carefully.***
- ***The school helps pupils to become better citizens. Teachers support pupils well, but pupils also support each other.***
- ***Pupils know that teachers always expect them to work hard. They are grateful for this. Pupils know that they can always learn in lessons.***

- ***Leaders have brought improvements to many areas of the school since the previous inspection, including behaviour and the curriculum. Parents are very appreciative of the way the school has changed.***
- ***The school's 'flexible learning' department supports pupils with special educational needs and/or disabilities (SEND) effectively.***
- ***Leaders have introduced effective strategies to strengthen reading across the curriculum.***
- ***The school is a calm and orderly environment.***
