

Year 13 Results – Press Release August 2026

Haileybury Turnford Year 13 students celebrate with the school's best ever results!

Haileybury Turnford is delighted with the outstanding achievements of its Year 13 students, who have received their A Level and vocational qualification results today.

Robin Newman, Principal, said: "We are thrilled with today's results and are incredibly proud of our Year 13 students. They have shown great determination and a real commitment to their studies, supported by our excellent staff team. Our Year 13 cohort have achieved the school's best ever A Level and vocational exam results, and have secured a range of excellent destinations following their studies at Haileybury Turnford."

Among the many success stories, **Albert Bridgeman** will study English Language and Literature at the University of Oxford, **Helin Caliskan** will study Pharmacy at University College London, **Adam Beat** will study Philosophy, Politics and Economics at the University of Leeds, **James Hajdu** will study Mathematics and Sport Science at Loughborough University and **Seun Dosunmu** has secured a Degree Apprenticeship as a Chartered Manager at Dalkia.

Navpreet Shivalkar, Head of Sixth Form, said: "Our students have done incredibly well. It's fantastic to see so many of them attending the university of their choice or securing a competitive degree apprenticeship. We are so very proud of them all!"

Robin Newman, Principal, added: "Our students have benefited from the high-quality education and commitment from teaching and pastoral staff at Haileybury Turnford, and our Sixth Form provides an excellent stepping stone to university and the world of work. We send our congratulations to our Class of 2026 as they move onto the next chapter in their lives."
