Welcome from the Principal

Dear Families

Welcome to Haileybury Turnford. At Haileybury Turnford, our vision is to be the very best school we can be, developing every aspect of our students so that they thrive academically, flourish personally and enjoy success throughout their educational journey. We are delighted to welcome you and your child to our school community and look forward to working in partnership with you over the coming years.

We believe that excellent teaching, strong academic outcomes, exceptional pastoral care and a rich programme of enrichment opportunities are the hallmarks of an outstanding school. Our students are encouraged to be ambitious, resilient and respectful, embracing every opportunity available to them both inside and outside the classroom.

We are particularly proud of our recent achievements. Our 2026 Ofsted Report Card recognised the significant strengths of our school and the excellent education and support we provide for our students. The report reflects the dedication of our staff, the commitment of our families and, most importantly, the hard work and positive attitudes of our students. I encourage you to read the report, which can be found on our website:

www.haileyburyturnford.com.

Our students continue to achieve excellent examination results, reflecting both their hard work and the high expectations we have for every learner. We are committed to ensuring that all students, regardless of their starting point, are supported and challenged to achieve their full potential and progress confidently to the next stage of education, training or employment.

As a school sponsored by Haileybury, one of the country's leading independent schools, we are fortunate to benefit from a unique and growing partnership. Students have access to a wide range of opportunities through our collaboration, including academic masterclasses, science activities, sporting facilities, cadet experiences, university preparation programmes, musical events and leadership opportunities. This partnership enriches our students' educational experience and helps broaden their aspirations and horizons.

Haileybury Turnford has become a school of choice within the local community and has been consistently oversubscribed and full for a number of years. Families recognise the high-quality education, care and opportunities we provide, and we are proud of the strong reputation the school has established.

Beyond the classroom, we offer an extensive programme of trips, visits and enrichment activities designed to develop students' confidence, character and cultural understanding. Whether through educational visits, sporting competitions, performing arts productions, leadership programmes, clubs or residential experiences, students are encouraged to participate fully and discover new talents and interests.

We expect all members of our school community to demonstrate kindness, respect and integrity in everything they do. By working together, students, staff and families create a positive environment where everyone feels valued, supported and able to succeed.

Thank you for placing your trust in us. We look forward to working with you and supporting your child throughout their time at Haileybury Turnford.

With my best wishes

Robin Newman
Principal

Our School Values

At Haileybury Turnford we expect and enable our students to be **Ready, Respectful and Safe.**

READY	RESPECTFUL	SAFE
• Full school uniform, worn properly • Attend on time with all equipment • No gum, fluid or food other than water • All headphones, phones and other electronic equipment out of sight and switched off	• Do as you are asked by all members of staff • Listen to others, use appropriate language and a polite tone • Look after each other, the building, displays and equipment	• Follow rules and routines for health and safety • Keep hands, feet, objects and personal comments to yourself • Be in the right place, in the right time and not in unsupervised areas

The staff and governors of Haileybury Turnford believe that students are entitled to an education of the highest quality which is relevant and challenging; set in a safe, secure and nurturing environment.

We aim to promote positive behaviour and early intervention to support students in their learning. We believe a whole school positive behaviour management approach is essential for effective teaching and learning. At Haileybury Turnford our aim is to create a learning community where:

- we all have the right to learn and work in a safe environment and to be treated fairly with respect; we are all responsible for supporting the rights of others and ourselves;
- we should create a climate where everyone can learn and achieve;
- rewards and sanctions should be used to help us to take responsibility for our mistakes and support us to make the right choices in future;
- it is our collective responsibility to build confidence among children to show empathy and understanding;
- we have clear and agreed methods of reporting and responding to incidents of both positive and negative behaviour.

“Pupils have highly positive attitudes to school life. In class, they focus determinedly on their studies”

(Ofsted April 2026)

Safeguarding at Haileybury Turnford

Haileybury Turnford is fully committed to safeguarding and promoting the welfare of all our students and young people and expect all staff, volunteers and visitors to share this commitment.

On occasion, a student may disclose information of a sensitive nature to a member of staff or an adult. When this happens, they must listen and explain clearly and calmly that information about their safety may mean other people have to be informed in order to support and safeguard them. They cannot promise to keep such information confidential.

When a member of staff, volunteer or visitor has any child protection or welfare concerns about a student, they have a duty to report these concerns to the designated teacher in the school.

If you have any concerns about a child's welfare, please contact a member of the Safeguarding Team.

Deputy Designated Safeguarding Lead
Mr R Newman (Principal)

Deputy Designated Safeguarding Lead
Mr B Walsh (Assistant Principal)

Designated Safeguarding Lead
Mrs M Goodes (Senior Vice Principal)

Deputy Designated Safeguarding Lead
Mrs N Shivalkar (Assistant Principal)

Deputy Designated Safeguarding Lead
Miss D Newman (Vice Principal)

Deputy Designated Safeguarding Lead
Mrs A Jones (Senior Pastoral Lead)

Deputy Designated Safeguarding
Lead (Child Protection Lead and
Intervention Coordinator)

Nominated Governor for Child Protection
Dr L Pugsley (Vice Chair of the Governing Body)

Deputy Designated Safeguarding Lead
Mr N Megaw (Assistant Principal)

Pastoral Care

Tutor

In each year group, students are divided into mixed ability forms, who are looked after by a tutor. It is the role of the tutors to get to know individual members of their tutor group and to consult with other staff about their welfare as well as academic progress and behaviour. If you have any concerns or worries, the tutor should be the first point of contact. Contact details are available on the school website.

Year Achievement Coordinator and Assistant Year Achievement Coordinator

The Year Achievement Coordinator will oversee your child's welfare and academic progress. Each year group has a designated Year Achievement Coordinator who is responsible for tracking and monitoring progress as well as behaviour. Parents' Evening will enable you to meet with your child's individual subject teachers. Appointments for Parents' Evening are made via the online parents booking system

<https://haileyburyturnford.parentseveningsystem.co.uk/>

Year Achievement Coordinator

Miss A Costin

costina@haileyburyturnford.com

Assistant Year Achievement Coordinator

Miss D Spencer

spencerd@haileyburyturnford.com

Senior Pastoral Lead Year 7

Mr S Lindquist

lindquists@haileyburyturnford.com

Senior Vice Principal

Mrs M Goodes

goodesm@haileyburyturnford.com

Communication and Contact

You are always welcome to make an appointment to see specific members of staff if required. Similarly, staff may wish to contact you about your child should they have a query or concern. As a school, we try to address issues as they arise; so please do not hesitate to contact the school should you have a concern. Staff contact details can be found via the following link: <http://www.haileyburyturnford.com/contact-us/staff/>

Appointments can be made by telephone, email or letter. You are required to make an appointment with staff as teaching staff are not available to see parents for impromptu visits due to their teaching commitments. As a school we aim to return your call or email within 24 hours (during term time only). However please respect the fact that staff may genuinely be absent from school or not available to return your call or email straight away, but will endeavour to return your call at their earliest convenience. We are keen to listen to your suggestions in order to continue to improve all aspects of communications with you. Parents' Evening will enable you to meet with your child's individual subject teachers. Appointments for Parents' Evening are made via the online parents booking system: <https://haileyburyturnford.parentseveningsystem.co.uk/>

Contact details for Parents/Carers

Please can you ensure that we are made aware of any change of addresses or telephone numbers for students. It is vital that we are able to contact parents/carers should the matter arise.

Please contact Mrs Davey on 01992 3083333 ext. 236 or send an email to daveyr@haileyburyturnford.com

HT STUDENTS LEARN TO **THRIVE** THROUGH BEING ...

Team players

Working collaboratively and contributing positively, through taking on leadership roles to help others.

Healthy

Managing physical and mental wellbeing through staying safe, seeking support when needed and developing resilience.

Responsible

Acting with honesty and integrity, treating others with kindness and respect, and considering the impact of actions on others.

Inclusive

Respecting and embracing diversity in our community. Accepting and appreciating different faiths, beliefs and cultural traditions.

Visionary

Thinking creatively, setting ambitious goals and developing strong aspirations and plans for future success.

Enterprising

Identifying and grasping opportunities, taking measured risks and being creative and adaptable when challenges arise.

THE QUALITIES OF A **SUCCESSFUL** HT STUDENT

Ambition · Pride · Success

Haileybury Turnford Home-School Agreement

The aim of this Home-School Agreement is to establish a partnership between Haileybury Turnford, parents/carers and students so that we can work together to ensure students fulfil their academic aspirations and develop good character in accordance with the school's ethos, values and vision.

Responsibilities of the Parent or Carer

I will make sure my child is ready for school by:

- Making sure my child attends school every day unless they are unwell and at the required time and wearing the correct school uniform.
- Supporting the school policies including the Rewards, Behaviour and Discipline Policy.
- Requesting time off in advance for my child if he/she needs to be absent from school.
- Informing the school by text, email or telephone on the first day of absence giving the reason for my child's absence.
- Making certain my child has a school bag including the following correct equipment (2 pens, a pencil, a ruler, a rubber, a sharpener, all mathematics equipment including a calculator, and a refillable water bottle and PE kit).
- Making certain my child brings a suitable reading book to school each day.
- Attending meetings including parents' evenings with relevant members of staff to support my child.
- Encouraging positive attitudes towards school, learning and homework.
- Keeping up to date with information about how you can support your child, including using the Class Charts App.
- Supporting my child with completing set homework and promote additional reading at home.
- Talking to my child about the internet sites they use and report any concerns using the Child Exploitation Online Protection (CEOP) button on the HT website.
- Making early contact with the school on any matters affecting my child's progress, welfare or behaviour, including any medical conditions.
- Ensuring that if my child rides a bicycle to school, he/she rides it safely, it is well maintained. We would strongly recommend your child wears a cycle helmet.
- Keeping the school informed about changes to my contact details.
- Keeping informed of school events by reading HT News and regularly checking the school website and Class Charts App.
- Setting a good example to my own child and other students by respecting all members of the school community.
- I will not record meetings or conversations without the consent of all parties and will use any agreed recording responsibly and only for its intended purpose.
- I will support the school's expectations regarding technology, including ensuring my child does not use unauthorised AI-enabled wearable devices in school.

"Pupils behave impeccably. They show high levels of consideration and kindness towards their peers and staff"

(Ofsted April 2026)

Responsibilities of the Students

I will make sure I am ready, respectful and safe for school by:

- Making sure I am on time to school each day and ready to learn in correct school uniform and have the correct equipment.
- Working to the best of my ability and being proud of my achievements.
- Not doing anything to bring the school into disrepute and being considerate and polite to members of the community, including on the way to and from school.
- Making sure I am polite, considerate and respectful to all staff, visitors and other students within the school.
- Following staff instructions at all times, and following all of the rules, guidance and expectations about health and safety.
- Being ready to learn and engage in all activities in lessons and trying my best at all times.
- Not disrupting any lesson, and if I do not understand an instruction or information, I will ask a teacher.
- Behaving responsibly and appropriately when using social networking sites, the internet and websites, and reporting any concerns via the Child Exploitation Online Protection (CEOP) button on the HT website.
- Paying attention to road safety on my way to and from school, ensuring that if I ride a bicycle to school, I will ride it safely and wear a cycle helmet.
- Following the school's policies on e-safety, including the use of mobile phones and social media.
- Looking after the school environment and keeping it litter free.
- I will not use recording devices or AI-enabled wearable technology in school unless authorised by staff.

Responsibilities of the School

Haileybury Turnford staff agree to:

- Be calm and consistent, treat your child fairly, care for and nurture them, promoting their well-being.
- Help your child to develop a sense of responsibility and be considerate of others.
- Encourage, reward and celebrate when students go above and beyond.
- Ensure your child is well taught and provided with clear feedback to secure good progress.
- Keep you well informed about your child's academic progress and achievements.
- Keep you well informed about any concerns about your child's work, behaviour or relationships.
- Take prompt action when we are concerned about attendance and/or unauthorised absence.
- Keep you well informed about school events and general school matters.
- Provide appropriate guidance to enable your child to fulfil their potential and to make informed choices at each stage of their learning.
- Encourage and insist on high standards of behaviour, good manners and consideration for others.
- Provide a broad range of subjects and a variety of co-curricular activities.
- Provide information about school activities and events through HT News, the school website, social media, letters and Class Charts announcements.
- Take reasonable steps to ensure that all students are safe and secure.

Safe behaviour for learning: Responsible Internet Use at Haileybury Turnford

Rules for students

The school computer system provides Internet access to students and staff. This 'ICT User Agreement' will help protect students and the school by clearly stating what is acceptable and what is not.

- Access must only be made via the user's authorised account and password, which must not be given to any other person.
- School computer and Internet use must be appropriate to the student's education.
- Copyright and intellectual property rights must be respected.
- Users are responsible for email they send and for contacts made.
- Email should be written carefully and politely, as messages may be forwarded. Email is best regarded as public property.
- Anonymous messages and chain letters must not be sent.
- Use of public chat rooms and social media is not permitted.
- The school ICT systems may not be used for private purposes, unless the Principal has given prior consent for that purpose.
- Use for personal financial gain, gambling, political or advertising is forbidden.
- The security of the school ICT systems must not be compromised, whether owned by the school, or by other organisations or individuals.
- Irresponsible use may result in the loss of internet access.
- Cyber bullying will result in suspension of account and possible further action by the school.

The school may exercise its right by electronic means to monitor the use of the school's computer systems, including the monitoring of websites, the interception of emails and the deletion of inappropriate materials in circumstances where it believes unauthorised use of the school's computer system is or may not be taking place, or the systems is or may be being used for criminal purposes or for storing text or imagery which is unauthorised and unlawful.

Please ensure your child has read and understood the terms of conditions of Internet use at Haileybury Turnford. Within the induction pack you will find a form for your child to sign as acceptance of the above.

HT Bicycle Rider Safety Contract

To make cycling to school as safe as possible we ask all students who choose to cycle to school and their parents, to carefully read and agree to the terms set out in the Bike Rider Safety contract found below:

1. I will always use care and caution when riding my bike to and from school.
2. I will be courteous to other bike riders, pedestrian and students and will be alert to cars, buses and motorcycles.
3. I understand the school encourages me to a properly fitted bicycle helmet each time I ride my bike to and from school.
4. I will respect the school grounds and property of the school and not ride the bike on the school site.
5. I will be the only rider on my bike at any one time
6. I will observe the Highway Code (including road signs).
7. I will maintain control of my bike and not ride recklessly.
8. I will slow down and safely pass any pedestrians on the pavement.
9. I will make sure my bike is locked securely to the bike rack during school hours.
10. I understand that if I do not follow the conditions of this contract the student privilege of riding.

Ready, Respectful and Safe

Conduct Cards

All students are expected to be **Ready, Respectful and Safe**. This card is used to record any times when a student is not **Ready, Respectful or Safe** outside of lessons. This can include uniform infringements, such as having an untucked shirt, wearing jewellery or wearing trainers without a valid reason and permission. Out of lesson infringements can be recorded by any member of staff. Six infringements in any one term will result in a one-hour payback. If your child were to reach 18 conduct points we will organise a school-based meeting to discuss concerns and ask you to work with us to support your child in being **Ready** for School, **Respectful** to all staff and other students and in ensuring they are always acting in a **Safe** way – they should aim to have zero conduct points at the end of the term. Students can also receive Achievement Points for going above and beyond in showing they are **Ready, Respectful and Safe**. For example, a student who is polite and courteous and cooperative with others can receive an Achievement Point.

Achievement System

Your child will earn one Achievement Point for every time they exceed our minimum standards of being **Ready, Respectful and Safe**.

	Detail
Ready	✓ Consistently go above and beyond the expectations of members of staff, demonstrating the Haileybury Turnford character traits, during the lesson. ✓ Attend a co-curricular activity regularly.
Respectful	✓ Demonstrate a positive attitude towards others, demonstrating strong citizenship qualities. ✓ Represent the school positively in an external event e.g. sporting fixture, art display, charitable event, or leadership activity. ✓ Commit & achieve in any personal aspect outside of school. For example, taking part in a charity event or representing the school positively, as a student leader.

Behaviour and Discipline: Ready, Respectful and Safe

We have high expectations as a school and expect every student to follow and maintain these expectations to ensure every child is valued and is able to achieve their potential and learn in an orderly and secure environment.

Behaviour Points System

The behaviour card system is used consistently across all subjects by staff. The purpose of the system is to ensure your child succeeds at Haileybury Turnford. Failure to meet these expectations could result in the following:

Ready, Respectful and Safe	
Ready, Respectful and Safe	Ready - I will make sure I am ready by: • Wearing the full school uniform properly • Attending on time with all equipment necessary • No gum chewing or having any other fluid, or food, other than water in lessons • Making sure all headphones, phones and other electronic equipment are out of sight and switched off Respectful - I will make sure I am respectful by: • Doing as asked by all members of staff • Listening to others, using appropriate language with a polite tone • Looking after each other, the building, displays and equipment Safe - I will make sure I am safe by: • Following rules and routines for health and safety Keeping hands, feet, objects and personal comments to yourself Being in the right place, in the right time and not in unsupervised areas
1 st Yellow Card	1st Yellow Card (-1 Point) This means that your teacher has already tried to encourage you to make the right choice after verbally reminding you to be Ready, Respectful and Safe. Your Teacher and Form Tutor will follow up this issue with you.
2 nd Yellow Card	2nd Yellow Card (-2 Points) You are not following our expectations of being Ready, Respectful or Safe and as a result you will be sent to work in another classroom. You will receive a Payback at break or the end of the day to discuss an action plan and resolve the issue. Your Form Tutor will follow up this issue with you. Your Parent/Carer will be informed about your behaviour. If you continue to receive Yellow Cards you will receive a Faculty or Subject Leader Payback.
Red Card	Red Card (-6 Points) You will be given a Red Card if there is a one-off serious behaviour incident where you have not followed our expectations of being Ready, Respectful or Safe. For example, fighting or making racist comments. You will be removed by a staff member and taken to the Isolation Room. You will work in silence until your Resolve meeting. A Resolve meeting will be held at the earliest opportunity. Your Parent/Carer will be informed.

Praise and Recognition: Going Above and Beyond

Our praise and recognition system is designed to celebrate the success of all our students. It is underpinned by the belief that continual praise of each student's personal best behaviour and attitude to work is fundamental to establishing and reinforcing appropriate behaviour and work patterns.

Verbal praise, telephone calls home and positive postcards are used routinely to create and reinforce positive relationships at all times. They are recorded by the teacher on Class Charts.

The number of Achievement Points received by students is monitored by the Form Tutor, Year Achievement Coordinator and Assistant Year Achievement Coordinator. Individual progress is reviewed weekly and used as a basis for discussion and further achievement.

Every term, students will attend academic, community and sports awards celebratory assemblies.

Specific student rewards include:

Principal's Award

The Principal's Award is given to students from each year who are nominated by their Year Achievement Coordinator for outstanding personal achievement or outstanding contribution to the school community.

Principal's Book

Students are nominated by their subject teacher and invited to go along to the Principal's Office to show their excellent piece of work. The Principal then asks them to sign the Principal's Book and a mention is made in HT News, which is published twice each half-term.

Haileybury Turnford Award – KS3

Every time a student is awarded an achievement point in school they are working towards the achievement of the HT Award. The HT Award is our opportunity to recognise a student's diligence, effort and commitment to our school and to their studies.

The HT Award has 4 categories of success linked to the total achievement points received in lesson as well as contributions made in our school and/or in our local community.

How does the Haileybury Turnford Award work?

The HT Award has 5 categories:

- Bronze badge (achieved when 150 achievement points are reached)
- Silver badge (achieved when 500 achievement points are reached)
- Gold badge (achieved when 1,000 achievement points are reached as well as 1 recognised activity to the school e.g. representing the school in a sports fixture for example)
- Platinum Cup (achieved when 2,000 achievement points are reached as well as 2 recognised services to the school acknowledged by the Assistant Principal and Year Achievement Co-ordinator as meriting outstanding contribution to the core values of our school: Ambition, Pride, Success)

Once a student has achieved the necessary criteria they will be awarded with their respective badge and certificate in their assembly. Students will also receive a positive phone call home when the badges are awarded. Positive phone calls could come from their Form Tutor, Year Achievement Coordinator, Assistant Principal or Vice Principal. The HT Character Badge will be awarded by the Principal and phone call made directly from him. Students and parents will also receive notification via their Class Charts app once they have crossed the threshold for each award.

Is it possible to achieve these point totals?

The HT Award is a recognition system that students will work towards throughout KS3 (Year 7-9). This means students will carry their achievement points over from year to year. Every student has the ability to earn these achievement points over the three-year period, and clearly the Gold badge, Platinum Cup and HT Character badge require a special level of commitment to our school and local community above and beyond receiving classroom-based achievement points.

How often are the award badges given out?

HT badges will be given out every half-term when updated totals on achievement are calculated. Did you know that you can check your points total on Class Charts and that parents will be notified by the Class Charts app when thresholds are achieved?

Do negative behaviour points count?

No – any student's negative behaviour points will not impact on their receiving of the award. Only positive behaviour points are considered in the HT award i.e. negative behaviour points do not reduce achievement points.

Do students get any recognition for good attendance?

Yes – every half term those students with 96% attendance will receive an additional 10 achievement points.

Achievement Points

Students receive Achievement and House Points from staff for school learning, homework, community and co-curricular contributions. The total of House Points is calculated on a monthly basis and they feed in to the annual House Competition.

Student of the Week

One student will be nominated from each year and congratulated in their Year Group assembly and HT News. Students are nominated for going above and beyond the normal expectations.

Phone calls home

Each week staff members will choose up to 5 students to positively recognise and praise. Staff will make a phone call home to parents.

Postcards Home

Students will have opportunities to receive a postcard home for over and above recognition and exceeding our minimum expectations of Ready, Respectful and Safe.

Hot Chocolate with the Principal

Students are nominated by their subject teacher and are sent an invitation to join the Principal for a Hot Chocolate and to discuss their outstanding achievement.

House points

All students are members of one of six Houses. The Houses are competing in the academic, sporting and co-curricular competitions to win the prestigious House Cup. All House Points awarded to students count towards this competition.

Awards Evening

Every Spring Term students from all years are nominated by their subject teachers for an award for outstanding work. Families are invited to join students and staff to celebrate their achievements at Awards Evening.

Haileybury Turnford House System

The Haileybury Turnford House system comprises of six houses; Bevan, Pankhurst, Shackleton, Turing, Austen and Bader. Each tutor group, including the Tutor, will all belong to the same house to encourage collaboration and a team ethos within the tutor group.

We encourage all students to participate in House competitions throughout the academic year. These will be run by individual faculties/departments or year teams. All academic achievements, achievement points and attendance will also feed into the House system.

By the conclusion of the academic year, we want students to have had numerous opportunities to represent their House.

Bevan	Aneurin Bevan A Welsh Labour Party politician who was the Minister for Health in the UK from 1945 to 1951. Bevan was a lifelong champion of social justice, the rights of working people and democratic socialism. He was instrumental in the introduction of the National Health Service (NHS).
Pankhurst	Emmeline Pankhurst A British political activist and organiser of the British suffragette movement who helped women win the right to vote.
Shackleton	Sir Ernest Henry Shackleton CVO OBE FRGS A British polar explorer who led three British expeditions to the Antarctic. He was one of the principal figures of the period known as the Heroic Age of Antarctic Exploration.
Turing	Alan Mathison Turing OBE FRS A British mathematician, computer scientist, logician, cryptanalyst, philosopher and theoretical biologist.
Austen	Jane Austen An English novelist known primarily for her six major novels, which interpret, critique and comment upon the British landed gentry at the end of the 18th century.
Bader	Lilian Bader One of the first black women to join the British armed forces. She was born in Liverpool to Marcus Bailey, a merchant seaman from Barbados who served in the First World War, and a British-born mother of Irish parentage.

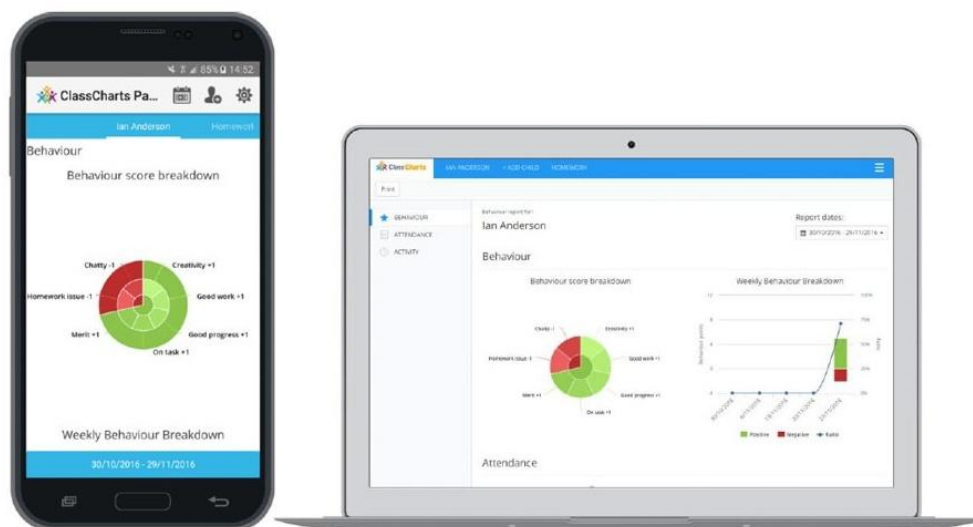

Online Management and Communication System

At Haileybury Turnford we use an online system known as Class Charts. You will be able to use Class Charts to keep track of your child's behaviour and access and view their assigned homework and online learning tasks and view announcements from the school.

If you have more than one child, you can access Class Charts information about your children from a single, centralised parent account.

Class Charts for parents can be accessed via the Class Charts website or through an iOS and Android App.

You will receive a Parent Code from the school. The code is used to set up your Class Charts parent account and you will receive instructions on how to access and set up your account. Once you have signed up to Class Charts, you can log back into your parent account at any time.

Positive Relationships Policy (Anti-Bullying Policy)

Anti-Bullying Procedures

Bullying may be verbal, physical or indirect. In fact, any action, which repeatedly makes a child feel uncomfortable, insecure or threatened, may be defined as bullying. The school disapproves of bullying in all its forms and considers it a most serious offence. Students should be aware that bullying is completely unacceptable at Haileybury Turnford and they will be treated sympathetically if they tell someone if it has happened to them. The Principal and senior staff take the lead in creating a climate in which students will be encouraged to report immediately any bullying incident in the expectation that it will be dealt with urgently and fairly. All staff are required to report incidents of bullying to the Tutor and Year Achievement Coordinator of both bullies and victims. Year Achievement Coordinators must then report the incident to senior staff. Please see our school website for our full Positive Relationships Policy

<http://www.haileyburyturnford.com/information/policies/>

Advice for your child - What helps?

- Tell your child: "If you're being bullied it's not your fault";
- Let your child give their account in their own words if they can;
- Be clear, it is important that the bullying stops and that school will have to be involved;
- Find out which teacher your child would like you to talk to;
- Give lots of love and reassurance to your child;
- Contact school as soon as possible.

Talking to the school

- Be aware that teachers may have no idea your child is being bullied or may have another account of the incident;
- If you can – give names, places, times and dates;
- Give the school time to thoroughly follow up your concerns;
- Ask to be kept well informed and keep a log of the bullying.
- The school is there to help you and your child, please try to work with the school at all times.

Medication in School

Students are permitted to carry a small amount of medication around with them in the school. An EpiPen, asthma pump or diabetic insulin kit are also permitted. Only prescribed medication is kept in the Medical office. The school does not have a supply of medication to be given to students with or without consent of a parent/carers. Any prescribed medication required by a student must be supplied by parent/carers. It must be brought in, in its original packaging including instructions from the prescriber and handed to the Medical Office. A parent/carers Consent Form must also be completed and kept with the medication. All medications are stored in a secure medical cabinet or the fridge including spare EpiPen's or asthma pumps if required in the Medical Office. You will be notified at any time if the expiry date is due and will be required to bring in new medication.

All medication, held by the medical office, taken in school by a student is recorded. If you no longer wish for your student to have medication kept in school, or the medication needs to be changed please inform the Medical Office immediately on 01992 308333 ext.205 if you have any issues or concerns, or if your child requires a Health Care Plan for an on-going medical condition.

Ready for Learning: Attendance

Good attendance and punctuality are vital to ensure your child reaches their full potential.

It is anticipated and expected that every student will aim to achieve at least 96% attendance. We monitor attendance to every lesson on a daily basis.

Family Holidays

May we remind all parents that holidays are not allowed in school term time. The expectation is that you take family holiday outside of term time. If you take your child on holiday in term time the school may request the Local Authority to issue a Fixed Penalty Notice. From August 2024, the fine for school absences across the country will be £80 if paid within 21 days, or £160 if paid within 28 days. This rate is in line with inflation and is the first increase since 2012. In case of repeated fines, if a parent receives a second fine for the same child within any three-year period, this will be charged at the higher rate of £160. Fines per parent will be capped to two fines within any three-year period. Once this limit has been reached, other action like a parenting order or prosecution will be considered. If you're prosecuted and attend court because your child hasn't been attending school, you could get a fine up to £2,500. Money raised via fines is only used by the local authority to cover the costs of administering the system, and to fund attendance support. Any extra money is returned to the government.

Medical/Dental Appointments

Please make medical and dental appointments outside school hours whenever possible. We do understand that some appointments cannot be avoided and will fall during school time. We do ask that your child catches up with any work missed to ensure the continuity of their learning. It is the responsibility of your child to speak to the teachers concerned in order to ensure they have caught up on any missed work.

Absence due to Illness and Medical Appointments

If your child is unwell and not fit to attend school, please ensure you ring the school's absence line on the first day. We then ask you to keep us informed of their progress and provide medical notes from a GP if your child requires more than 4 days away from the school due to illness. Our Attendance Officer will contact you if we have not received information about the absence of your child.

Call 01992 308333 Option 1 and leave a message on the absence line. Send a copy of the medical appointment letter/card on your child's return. Send an Email to: attendance@haileyburyturnford.com

If your child is taken ill at the school, after visiting the Medical Office and if it is felt they need to go home we will require a parent to collect the student for health and safety reasons. Repeated non-attendance or lateness to school will be treated very seriously and if your child is repeatedly absent or late to school without a valid reason parents will receive a letter, warning about the legal consequences of persistent absence. Persistent absence to school will result in parents/carers being warned and then issued with a Fixed Penalty Notice involving a fine.

Lateness to school and lessons

Lateness is disruptive for students and teachers, and students who are persistently late without good reason will be placed in payback. As a general rule, lateness to school on two occasions will result in a payback and lateness to lessons on three occasions will also result in an additional payback.

Ready for Learning: School Uniform

We believe our school uniform should give students a sense of common identity and belonging and help to create the school ethos as a place of learning for all students. We have attempted to implement a Uniform Policy which is cost-effective and keeps branded items to a minimum, enabling parents/carers the opportunity to purchase essential items from a variety of suppliers. We believe having our distinct, practical and cost-effective HT uniform can support to set the appropriate tone for learning in our school and also acts to be an important social leveller. We have reviewed our existing School Uniform Policy recently and in consultation with parents and carers have aimed to ensure we can continue to be as cost-effective as possible and maintain our sense of identity and belonging as the HT community. In considering an reviewing our Uniform Policy we wish to ensure we are committing to five core principles:

- Ensuring that branded items of school clothing items are kept to a minimum for necessary items.
- Work with suppliers to ensure all costs are kept to a minimum without compromising the quality of uniform and offer value for money.
- Costs for items are required to be competitively priced.
-
- Will look to work with families who potentially find the cost of uniform a barrier to their child coming to school to ensure there is the right support in place.
- We will keep sport kits to a minimum, to ensure costs are minimised.

Who are our uniform suppliers?

Hawkins Uniform supplies our school uniform.

A number of our items of uniform can also be bought from any store. In addition, to support families, items of pre-owned uniform are available from the school.

Ready for Learning: School Uniform

Please clearly label all items your child's uniform.

Outdoor Clothing

Blazers should be worn to and from school but can be removed during lessons with the teacher's permission. Sweatshirts and fleeces (including hoodies) are not permitted and will be confiscated if worn to school.

We ask that coats are black or dark coloured, and that additions; such as scarves and hats in winter are kept to a minimum as they are easy to misplace. Coats, scarves, hats and gloves should not be worn inside the school building.

Jewellery

Earrings are permitted as long as only a small plain stud is worn in each ear lobe (lower lobe), no other piercings are allowed. The only other jewellery allowed is a wristwatch. If your child is wearing any other jewellery, they will be told to remove it. Should they be requested, it will be confiscated and kept safe for them to collect at the end of the day. Smart phone wristwatches are not permitted.

Shoes

Black shoes which can be polished, with no coloured trimmings. Trainers, canvas shoes and boots above the ankle are not acceptable.

Nail Polish

Nail polish, acrylic nails or gel nails are not permitted at any time. Students wearing nail polish will be asked to remove this or sent home to remove the acrylic/gel nails. Make-up if worn, must be subtle and natural in appearance.

Hairstyles

Individual fashion statements such as extreme dyed hair colours and styles are not permitted. Any student with an extreme hair colour or hairstyle will be asked to rectify their hairstyle or hair colour at

the earliest opportunity and may be sent home to do this. Students may be asked to work in isolation until the hairstyle has been rectified. Students with long hair must carry a means for ensuring their hair can be tied back for practical lessons such as PE and Design and Technology. Tram lines, shaved shapes in the hair or 'bar codes' in the eyebrows are not permitted. Afro-textured hair worn in styles including, but not limited to, afros, locks, twists, braids, cornrows, fades, hair straightened through the application of heat or chemicals, and weaves and wigs are permitted. For detailed information about our uniform policy see <https://haileyburyturnford.com/policies/>

Bicycles

Due to a number of cycling related incidents in Cheshunt and Turnford, the busy main road near to our school and our responsibility to safeguard and protect our students, we have introduced an expectation that every student riding a bike to school is strongly encouraged **to wear a cycle helmet**. Therefore, please make sure your child has a helmet that fits correctly and can be stored safely with the bike in the bike shed. (Most cycle locks can be threaded through the holes in the cycle helmet).

If your child does not wear the helmet, we will be locking their bike securely and asking for either you to collect their bike or bring in a cycle helmet, before the bike is released.

Please be aware if your child cycles to school they will need to ensure their bike lock is removed from the cycle racks as our site team will be cutting off and disposing of any remaining bike locks as we prepare and tidy the school site for the new academic year. Thank you for your cooperation in supporting our students to keep safe whilst travelling to and from school.

Being Ready to Learn

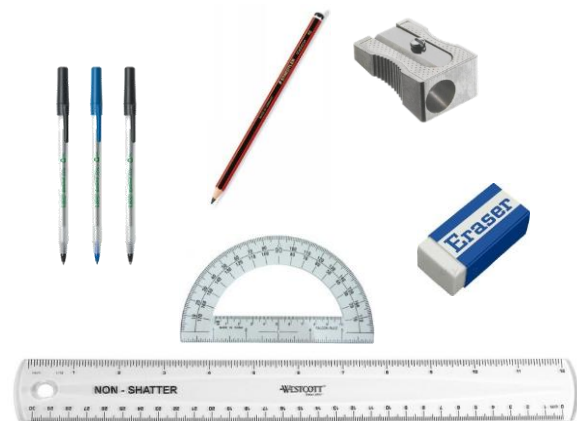

Are you Prepared and Ready to Learn?

What essential equipment am I expected to have for every lesson?

School bag large enough for equipment

All students must have the following equipment:

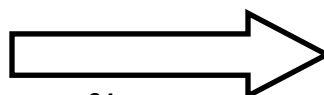

- Black/blue fountain or ball-point pen
- Red pen
- Ruler (with metric divisions)
- Pencil
- Eraser
- Protractor
- Reading Book
- Scientific Calculator (e.g. Casio)

It is essential that your child brings the correct equipment to school everyday

Articles of value such as an iPad, gold jewellery, expensive pens, and large sums of money should not be brought to school. We cannot accept responsibility if your child brings an object of value into the school and this gets damaged or goes missing.

School bag large enough for equipment

Cashless Catering

The school operates a cashless catering system. Each student is biometrically identified using an algorithm taken from an electronic finger imprint, allowing them to pay for meals. As each child pays the same way no one knows who has or does not have a Free School Meal (FSM) allowance which removes any associated potential stigma.

You can pay between daily, weekly or one year's dinner money onto your child's account. The school automatically sets an upper limit of £7 on the amount of money that can be spent in one day. If you would like this amount changed, please call the school to amend the amount either to increase or decrease their daily allowance.

For those students receiving Free School Meals (FSMs) the allowance is loaded onto the account daily. You are welcome to 'top up' the FSM allowance at any time, particularly if your child plans to use the Dining Hall at any other time apart from lunchtime.

As mentioned above, the only method of payment is through ParentPay. Payments made from ParentPay will be automatically credited to your child's balance. Please note: cash will not be accepted at the food counter till points.

For queries about Free School Meals please contact Hertfordshire County Council on 0300 1234 048 or visit the following website <https://www.hertfordshire.gov.uk/services/schools-and-education/at-school/free-school-meals/free-school-meals.aspx>

ParentPay®

We are pleased to inform you that Haileybury Turnford is able to accept payments online for school meals and other items such as school trips, music lessons, before and after school clubs etc. Using a secure website called ParentPay® <https://www.parentpay.com/> you can pay online using your credit or debit card.

Please note that ParentPay® is our only method of payment.

Property

All property including articles of clothing must be clearly marked with the owner's name.

Articles of value such as an iPad. Gold jewellery, expensive pens and large sums of money should not be brought to school. We cannot accept responsibility if your child brings an object of value into the school and this gets damage or goes missing.

Lost property is kept in the PE Faculty. Named items are returned to the owner. All unmarked items are kept until the end of term when they are disposed of. Should your child lose an item, please ensure they check with the PE Faculty before contacting your child's Tutor.

Being Ready to learn: Mobile Phone Policy

At Haileybury Turnford we believe a mobile phone is a form of communication, however mobile phones must be switched off and out of sight during the school day on the school premises at all times and until the student has left the school site. If mobile phones, headphones, or earpieces are used during the school day a student will have them confiscated immediately. If a student has their phone confiscated on more than one occasion during a half term, we will ask parent/carer to collect their child's phone. Smart watches and headphones are treated in exactly the same way as mobile phones.

The simple rule is a mobile phone should be switched off and out of sight at all times whilst on school premises.

Parents and carers are asked not to contact their child in school on their mobile phone. This includes texting or leaving voice messages on your child's phone, as students are **not allowed** to access their mobile phones during the school day.

PE Faculty

In order to support students in taking responsibility for valuable items such as mobile phones, the PE Faculty offer students the opportunity to place their valuable items in a secured valuables box. Please discuss with your child the importance of using this box to store their phone during their PE lesson.

Please note that the changing rooms are not always locked during lessons as other events are taking place - therefore students are urged to use the valuables box. The PE Faculty cannot be held responsible for valuable items that could go missing if students leave their possessions in the changing rooms. All valuables must be given in to the member of staff and kept secure in the valuables box during the PE lesson.

PE

PE is an integral part of the learning experience at Haileybury Turnford. All students are expected to bring the correct PE kit to all their lessons. If a student is injured they are encouraged to take on adopted roles in the lesson, such as coach or referee and they are still expected to be in full PE kit.

Haileybury Turnford School Day

The School Day/Week

The school day is from 8.35am to 3.05pm with co-curricular activities also after lesson 5.

Before the start of the school day

Being punctual and arriving on time is important and it is expected that your child arrives promptly to school. Any student that arrives late to school will be marked as 'late' and enter via the School Reception. If your child does not have a valid reason for arriving late they will be expected to serve a payback with their Year Achievement Coordinator. If they are late on more than one occasion in a week, your child will attend an additional after school payback. *(Hot and cold food and drinks are available in the Dining Hall every day from 7.45am – 8.25am).*

Lunchtime Arrangements

All students are required to stay on the school site at lunchtime. If you send your child with a packed lunch please consider making the contents "healthy". For further guidance on what is considered a healthy packed lunch, please refer to: www.schoolfoodtrust.org.uk

Promoting a healthy environment for your child

We are

committed to promoting healthy food and drinks and therefore the following drinks and foods are banned from the school. Please help to support us in supporting your child in making the right choices by ensuring your child does not bring fizzy drinks, energy drinks, Lucozade, etc. into the school as we are promoting a healthy environment for your child. We thank you for your support.

We are promoting a Healthy School at Haileybury Turnford

The following items are banned from the school – fizzy drinks, energy drinks, Lucozade and chewing gum.

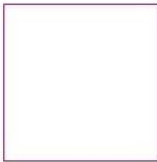

Please do not bring these items into school as they will be confiscated and not returned to you.

Only carbonated drinks bought in the canteen are allowed.

Special Educational Needs and Disabilities in The Flexible Learning Centre

Our Flexible Learning Centre team are here to support students who may need extra help, both in and out of the classroom. We have Link Workers and Learning Support Assistants to support in-class and to provide targeted interventions.

Our Flex Team

Mrs M Goodes Senior Vice Principal (SENCO) 	Mrs J Mitchell Flex/SEND Coordinator 	Mrs D Emin Deputy Flex/SEND Coordinator 	Mrs M Williams Flex Administrator 		
Mrs C Smith Year 7 Link Worker 	Mrs F Zarook Year 8 Link Worker 	Mrs A Oatham Year 9 Link Worker 	Ms C Watson Year 10 Link Worker 	Ms J Jeffrey Year 11 Link Worker 	Mrs T Watkins Year 11 Link Worker 
Mr N Bailey Learning Support Assistant 	Ms S Barbe Learning Support Assistant 	Miss C Kimber Learning Support Assistant 	Miss A Noad Learning Support Assistant 	Miss S Paulding Learning Support Assistant 	Ms N Santos Learning Support Assistant 

Our SENCO is Mrs Goodes, Senior Vice Principal; she provides the strategic leadership for students with SEND at Haileybury Turnford. The Flex Centre is managed by the Flex/SEND Coordinator, Mrs Mitchell, should you have any queries about your child's special educational needs/disabilities please liaise in the first instance with Mrs Mitchell (mitchellj@haileyburyturnford.com).

Our Flex team provide students with support in-class and with interventions in literacy, emotional wellbeing/regulation, social skills and more. Each student on our SEN Register has an allocated Link Worker who acts as a point of contact and provides support and acts as a liaison between student, parents/carers and staff regarding their special educational needs. The Year 7 Link Worker in 2026/2027 will be Mrs C Smith.

Pen Portraits - To aid our teaching staff to best support your child's learning and experience at Haileybury Turnford, we provide staff with a student profile detailing the strengths and needs of your child and outlines the best strategies to use in class. We use information from professionals, primary school and parents and the student themselves to give a broad and brief illustration of the child.

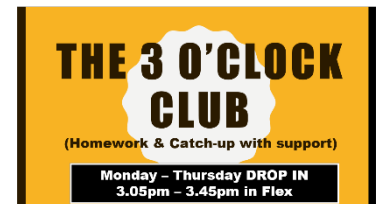

Flex Breakfast Club – our breakfast club is ‘by invitation’ only.

This is an opportunity for students to relax, chat with other students and staff and get ready for the school day. 8.15—8.35am daily.

Flex Lunch Club – our lunch club is open to all students; this is a calm and safe place for those who do not wish to be out and about during lunch time. We have games, colouring, drawing, puzzles, knitting, binca sewing, films, books and more available in the Flex Centre daily and at lunch time.

The 3 O'clock Club – more than a homework club ... you can choose to do homework, study, revise, research, practice typing skills or ask for help with classwork. Open Monday - Thursday, 3.05 - 3.45pm.

For more information on special educational needs and disabilities at Haileybury Turnford please see the SEN Information Report on our website. There is also a link to a padlet which provides you with links, information and advice on various aspects of special educational needs and disabilities.

<https://haileyburyturnford.com/curriculum/send/>

If you would like to discuss your child's special educational needs and/or disability please email Mrs Mitchell at mitchellj@haileyburyturnford.com with your contact details.

English as an Additional Language (EAL)

What we offer

Our school aims to support, teach and monitor the progress and achievement of bilingual, refugee and newly immigrated students at Haileybury Turnford. These students are categorised as English as an Additional Language (EAL) and often have varying levels of either home language or English language fluency. Once enrolled at Haileybury Turnford, our EAL Coordinator will assess the student for their fluency in English. If the student requires additional support, then it is likely that they will be provided with small group specialist provision by our EAL Coordinator as well as being provided access to Flash Academy, recognised as one of the best online providers of support to students with English as an additional language. These EAL sessions will continue throughout the year and the student will be regularly assessed and their proficiency monitored. Staff are regularly updated with information on strategies to support students with EAL.

Haileybury Turnford believes that home languages are an important skill to support and develop. Opportunities are being developed for the next academic year which include the bilingual mentoring of new students by older students, home language GCSEs and community language events. Parents can be assured that the languages spoken at home are just as valued and valuable as learning good academic English. It is best if parents let the school know which languages are spoken.

My child doesn't speak much English

Your child will be assessed for how much English they speak when they come to Haileybury Turnford. They will be put in contact with a peer mentor, hopefully one who speaks their language. They will also be carefully placed in a form where there are children who can help them by translating or with staff who can translate. Extra support will be provided.

We recommend that you download the Duolingo app on your child's phone to help them learn some basic English. Duolingo has English lessons for speakers of other languages. Just scroll down to the bottom of the list of languages to choose.

Should I continue to read and write with my child in my language?

Haileybury Turnford encourages parents and carers to read and write in their home language with their child. Bilingual books are available from most local libraries and can be requested in over 50 languages. This will enable students to prepare themselves over time for an extra GCSE exam in their home language as well as improving their overall literacy skills.

Home Language GCSEs and the English Baccalaureate

Supporting and encouraging bilingualism is a key part of our school. The EAL coordinator will work with the Modern Foreign Languages Department to identify bi-literate students who can achieve home language GCSEs or other qualifications either as extra GCSEs or as part of the English Baccalaureate qualification. Students who could take such qualifications but may not have strong literacy in their home language are encouraged to study their own language with their families, where possible.

All bilingual students are encouraged to use any community language skills they have in a positive way to help fellow community-language peers in their classes or tutor groups where a new student's English proficiency is still developing.

The School Curriculum

Computing	Creative	Dance	Design & Technology
Drama	English	Food Technology	Geography
History	Mathematics	Music	Personal and Social Development
Physical Education	Religious Education	Science	Spanish

Religious Education

In a typical KS3 lesson you can expect to find students learning about different faiths and exploring their own values and views about the big questions in life. Religious Education is not about persuading students to be religious or to hold a particular view; it is about encouraging diversity and recognising the number of different views people have about the meaning and value of life.

Personal & Social Development (PSD)

PSD is an important area of the curriculum as this subject allows students to explore crucial questions about themselves, others and the world around them. It covers the national curriculum for Personal, Social, Health and Economic Education & Citizenship. PSD prepares students for the pluralistic society they are a part of and helps to develop and nurture important values such as respect, empathy and tolerance. PSD is an engaging and relevant subject for all students and provides a real chance for students to reflect about their views and responses developing and justifying their own values and belief system in order to equip them for life in the 21st century in modern Britain.

Relationships and Sex Education

Topics focused on personal relationships, sexual and moral issues arise naturally in many parts of the curriculum; they are handled with sensitivity and tact, and are part of a preventative awareness education programme. Teaching about conception, birth, and some other specific aspects of sexuality also takes place either during science or PSD lessons or on other occasions. Parents will be notified when your child will be receiving Relationships and Sex Education.

Instrumental Lessons

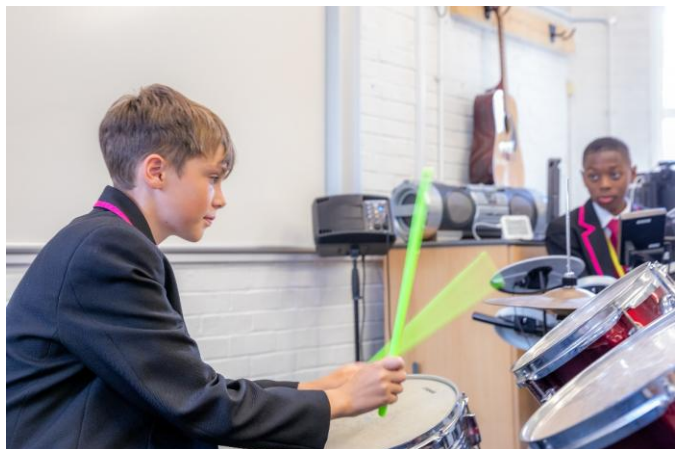

Registration for instrumental lessons

Haileybury Turnford has a team of visiting instrumental teachers who between them can give tuition in guitar, piano/keyboard, drums and voice. If you wish your child to have instrumental lessons, please register your child for instrumental lessons online with Hertfordshire Music Service.

Visit <https://www.hertsmusicservice.org.uk/hertfordshire-music-service.aspx> to register for lessons and follow the instructions.

Instrumental lessons will be able to start in school once you have registered your child.

If you have any questions or concerns, please do not hesitate to contact Mrs Nicholson, Faculty Leader for Creative & Performing Arts, by email: nicholsons@haileyburyturnford.com

Design and Technology Contributions

During Year 7 your child will be participating in Design & Technology lessons as part of the KS3 curriculum. Within our subject area students will have the opportunity to engage in a range of projects in their Design and Technology lessons each week.

As a faculty we provide an interesting, current and engaging curriculum which includes the designing and manufacturing of products that your child will get to keep and take home.

In KS3 we operate a carousel where students rotate around Food and Nutrition, Design and Technology and Engineering based projects where they make a wide range of working products and prepare a variety of dishes in food.

Our faculty budget is sufficient to cover the costs of the basic materials and dry store ingredients. However, we ask for **£15.00** from each student to cover the cost of the perishable items and more complex ingredients which we provide for the recipes that students will be making in their first year.

We provide the ingredients as it alleviates the stress for parents as you will not need to go out and buy ingredients every time your child cooks as well as working out much more cost effective as we can buy in bulk.

Contributions can be paid via Parent Pay which can be accessed via our school website once your account has been set up by the school (You should receive notification when your account has been set up towards the end of August). Unfortunately, we cannot accept contributions in the form of cash or cheque.

We ask that payments are made before we start in September so that all students are ready to cook in the first weeks of the new term.

Welcome to The Sandbox

Online **mental health support**
for Children and Young People

The Sandbox is an 'online hub' for children and young people in Hertfordshire where they can feel safe and take care of their Mental Health. You can find lots of really helpful resources on The Resource Zone.

How you feel about yourself, your family, friends and life in general changes all the time. Having problems with how you are feeling is part of growing up.

The Sandbox is here to help you understand how you are feeling, talk with other people, and find different ways to feel better.

Anyone aged between 10-25 can sign up for the Sandbox in Hertfordshire.

We know it's sometimes hard to let people know how you feel. You might find talking to someone quite scary or nerve-wracking, but by doing this you will be taking a very big step in the right direction towards improving your mental health.

Sign up and complete your free assessment for NHS funded therapy

We are here to help you

**More than 1 in 6 Children and Young People in Britain
struggle with their mental health at some point in their lives,
according to NHS research.**
